LASER SPECIALIST & ADVANCED ESTHETICIAN

ANNA VREELAND

@amv.estibeauty

Anna is licensed Esthetician with over seven years of experience and a lifelong passion for the beauty industry. A self-motivated professional, she began her journey at the Aveda Institute, graduating in 2009, and has since built a diverse background that includes work with Ulta Beauty, Benefit cosmetics, and eight years as a freelance makeup artist.

In pursuit of expanding her expertise, Anna recently completed advanced training at the MedSpa Institute of America, earning her Laser Technician License. She is committed to offering cutting-edge skincare solutions while helping clients look and feel their absolute best.

Beyond her professional life, Anna enjoys staying active and embracing a healthy lifestyle. Her background as a competitive dancer for 15 years—and two years as a dance coach—has instilled in her discipline, creativity, and an eye for precision, all of which she brings to her esthetic practice.
