

INJECTION SPECIALIST

CHARITY ZURST

@injectionsbycharity

Charity takes great pride in her artistic ability to enhance natural beauty and bring out the best in each of her client's features. Known for her conservative, "less is more" philosophy, she tailors each treatment plan to the individual offering thoughtful, customized options that prioritize subtlety and balance. Since 2013, Charity has been a valued member of the Life Time team, serving as a skilled Registered Nurse Aesthetic Injector. Her passion lies in helping clients feel confident, refreshed, and the best version of themselves. Committed to excellence.

Charity actively pursues ongoing training in advanced injectable techniques and remains current with the latest innovations in aesthetic medicine. Her dedication to education also extends to her academic journey, as she works toward earning her Master's degree in Nursing.
