# **LASER SPECIALIST & ADVANCED AESTHETICIAN**

## **SHANNON JOYCE**

With over 17 years of experience in the aesthetics industry, Shannon is a highly skilled aesthetician and laser specialist known for her expertise, precision, and dedication to client care. She has spent more than a decade specializing in advanced laser treatments, including hair reduction, skin resurfacing, and IPL therapies, consistently delivering transformative results.

Shannon's background spans both traditional esthetics and cutting-edge MediSpa environments, giving her a well-rounded perspective and a deep understanding of personalized skincare. As an experienced educator, she has trained numerous professionals in laser technologies, in-office treatments, and skincare solutions, furthering excellence in the field.

Her passion lies in helping clients look and feel their best, combining science, skill, and a personalized touch to every treatment. Shannon's ultimate goal is to boost confidence and enhance natural beauty through tailored skincare and laser solutions.
