

Injection Specialist & Certified BHRT Specialist

ASHLEY MARWEDE, PA-C, MPAS

@pa_ashleym_aesthetics

Ashley has been a Certified Physician Assistant in traditional medicine for over ten years. For the last seven years, she has been working at the Eden Prairie Life Time MediSpa as a Certified Advanced Bio Identical Hormone Specialist. Ashley has been specializing in functional medicine to help patients feel their best from the inside out with cutting-edge advancements in preventive medicine along with nurturing a cosmetic aesthetics practice. She was invited to join the cosmetic aesthetics team at St. Louis Park Life Time MediSpa, fall of 2021, as an Aesthetic Injector. Ashley has trained with top injectors across the country, including Connie Brennan, Nurse Practitioner, owner of Aesthetic Enhancement Solutions. She is bringing her expertise in compassionate patient care which leads to lifelong patient-provider relationships. Ashley thrives on the value of educating patients while thoughtfully developing a long-term aesthetic treatment plan. Each plan is unique to the individual patient based on their anatomical needs. With her thirst for knowledge, she will forever be an inquiring mind on the next innovation. She is enamored by the intricacies of facial anatomy and will always respect the natural beauty and nuances of each face while striving for natural results. Ashley brings her skill set to Eden Prairie and St. Louis Park MediSpa.
