

Laser Specialist & Advanced Practice Aesthetician

Lisa Wohlfert

@brightskin_bylisa

Lisa's dedication to her profession creates her drive and desire to learn from each treatment and patient outcome. She is passionate about overall skin health and client education and enjoys working with her patients to help them achieve their personal skincare goals. She firmly believes she has been so fortunate to have found her passion in life, and she absolutely loves helping her patients feel beautiful from the inside out! Lisa has been assisting her patients to achieve their skincare goals since 2001.
