

Injection Specialist

Stephanie Johnson, RN BSN

@stephaniejohnsonaesthetics

Stephanie has practiced as Registered Nurse since 2005. During her 15-years as an RN, she has developed a deep passion for wellness, prevention, healthy lifestyles, and the art and science of anti-aging solutions. Stephanie is committed to helping people feel confident and energetic so they can bring their best selves to the world every day. She also has a deep passion for natural looking results, restoring and enhancing facial features that have changed with the aging process. Stephanie joined the Eden Prairie Life Time MediSpa in April of 2022. Eden Prairie Life Time has been where she practices her love of fitness and has built relationships with so many incredible people over the past 7 years.
