

Injection Specialist

Nancy Ruth, RN

@nlruth & FB: Beautiful Faces

Nancy has practiced as Registered Nurse since 1984. During her 23 years as an Esthetic RN, she has developed a deep passion for merging art and science to create beautiful anti-aging solutions for her patients. Nancy is committed to helping people feel confident and energetic so they can bring their best selves to the world every day. She also has a deep passion for educating providers and many years working with plastic surgeons to achieve natural looking results, restoring and enhancing facial features that have changed with the aging process. Nancy joined the Saint Louis Park MediSpa in November of 2024.
