INJECTION SPECIALIST

ANGEL TO, RN

Angel is a Registered Nurse and professional makeup artist with over 17 years of experience in the beauty industry. She has a very keen eye for facial balance and symmetry. As a nurse, she's worked in clinical research on health and beauty products and has a strong knowledge of facial anatomy and structure. Angel has an incredible clientele that's is large and loyal because she believes that the aesthetic industry is relational, not transactional. She's known for having built strong relationships with her clients. Patient goals and establishing a plan to reach those aesthetic goals in a fun, but safe and realistic timeline is a main priority for Angel.
