LASER SPECIALIST & ADVANCED ESTHETICIAN

NIKKI BOTTEN

 @stpaul_skinslayer

Nikki is an AP Esthetician/Laser Technician with over 5 years of experience. She is a results-driven clinician known for her personalized approach to skincare. She takes the time to genuinely understand each patient, carefully listening to their unique concerns before creating a highly personalized treatment plan. By combining laser technologies, clinical skin treatments, and curated medical skincare regimens, each patient can expect to achieve their best skin confidently. She focuses on education, clearly explaining each recommendation so you feel informed, empowered, and excited about your skin journey.
